ALS March of Faces

HELP PROMOTE ALS AWARENESS BY PARTICIPATING IN THE LES TURNER ALS FOUNDATION - ALS MARCH OF FACES BANNER

THE BANNER

The ALS March of Faces Banner is a pictorial display of the courageous women and men, both past and present, stricken with the fatal neuromuscular disease, amyotrophic lateral sclerosis, also known as Lou Gehrig's disease. PALS (person with ALS) Kyle Hahn conceived the Banner in July 1997, as an advocacy and awareness tool that represents those currently living with ALS as well as those who have passed away from the disease. The Banner is utilized to heighten public awareness, raise funds for patient services and research and advocate on issues that benefit PALS and their families. Banners are displayed each year at the ALS Walk for Life.
